

As part of the Surviving and Thriving learning expedition, the 10th-grade class will be partnering with Sierra Roots to help serve lunch to members of our community that are experiencing homelessness. Every Thursday, a small group of students will walk to the First Baptist Church to help serve lunch in collaboration with Sierra Roots staff. Each student will have an opportunity to participate in this event once between now and the end of the school year. A SAEL staff member and/or parent volunteer will accompany students for the duration of this experience. More information about Sierra Roots can be found online at [www.sierraroots.org/](http://www.sierraroots.org/). Return the attached waiver as soon as possible so we can begin this valuable work soon.
